MERCHANT ATTESTATION TO COMPLIANCE WITH ISOs & CARD BRAND RULES

Merchant Legal Name: _____

Address: _____

City: _____ State: _____ ZIP: _____

In addition to the Terms & Conditions to the Merchant Processing Agreement, the above merchant attests to the understanding of ISO and Card Brand Rules.

The following is not an exhaustive list of the Card Brand Rules:

- 1. Merchants must remove all previous pricing change signage and disclosures**, including those provided by ISO previously, from other Merchant Services Providers and “homemade” signs. New signage that is program compliant can be requested from ISO.
- 2. Employees at the register have a responsibility to understand the basics of the ISO Program.** An Employee ISO Reference Guide will be provided and should be used to train new employees who operate the register and employees that accept payments.
- 3. Employees have a responsibility to never reference the discount given on Cash transactions** as a “fee” added to credit and debit cards.
- 4. Business owners at the merchant location are responsible for updating their posted pricing to reflect the card price to consumers.** In some states, it is required to display both card and cash price.
- 5. Business owners at the merchant location are responsible for understanding their local** and state laws regarding pricing disclosures to consumers.
- 6. Any Non-Compliance Assessment made on your business from a lack of compliance with ISO** and Card Brand Rules will hold the merchant liable for any fines incurred and possible termination of the Merchant Processing Account. I, the representative for the above mentioned Merchant, have read and understood these rules as they are presented to me and understand that Card Brand Rules can be accessed directly from Visa, Mastercard, Discover, and American Express.
